MEMORANDUM FOR THE RECORD

25X1A	gave recently at the Institute	management the address which he for Executives in Scientific Programs setting for this would be a dinner
25X1A	2. would be happy to participate sometime during the week of 27 November or 11 December whichever appears to be most convenient. I told him I would discuss this with Carl Duckett to see if we could fix a definite date, and then check again with him.
